SPOONS ACROSS AMERICA®
THE RECIPE FOR HEALTHIER CHILDREN

Join us as we celebrate 26 years of Spoons Across America's mission to educate children, teachers, and families about the benefits of healthy eating. Since 2001, our programs have reached more than 350,000 children nationwide—and today, we proudly serve 140,000 children each year.

The Annual Spring Benefit brings together an influential community of prominent chefs, business owners, attorneys, finance executives, and philanthropic leaders. Sponsorship places your organization in front of accomplished professionals with the expertise, networks, and resources to help advance Spoons Across America's mission.

Throughout the evening, we will reflect on how far we have come, celebrate the impact we are making today, and look ahead to the continued growth of our work with children nationwide. Your support helps ensure that more schools can give children the skills and confidence to become independent, knowledgeable Food Explorers.
