Read and rewrite the names of the states
with the most apple orchards.

Name three dishes that use
apple as an ingredient

1

2

3

Washington

New York

Michigan

Kalamata's Orchard Adventure

FARM TO BOOK STORYTIME

In the book "Kalamata's Orchard Adventure", Kalamata traveled to the Chef's orchard from when he was a child. Write about an orchard or farm that you wish you could magically go to. What grows on the farm or orchard? How would you magically get there?
